** Copyright Release/Purchase of Images:
The following is included on CD or DVD:*

- Master CD or DVD image files
- Full resolution files as captured natively – includes all files previewed.
- Selected favorite images retouched (10 to 30 maximum). Can include engagement if applicable. B&W and color renditions if available of select images.
- Professional retouched portraits via our lab are available at 50% off after this purchase.
- 11x14 and larger portraits should be ordered through studio for best results with retouching.
- Gift CD or DVD image File Disks For Parents, Bridesmaids, etc. Ideal for 4x6s and 5x7s of many or most prints of the same collection as the Master disk. Resolution is scaled for more manageable file sizes. Up to 8 disks are included. Additional discs available at \$12 each.
- As stated with packages, print credit cannot be applied to this purchase. However, this may be a beneficial option for many brides.
